DR. BURDICK AMAZED AT LAWYER'S NERVE

Dr. Clark M. Burdick, the young dentist who was recently married to the daughter of August Stadler, was still amazed today over the effrontery of Attorney Ralph C. Gray, of New Hampshire, who came to town yesterday with a warrant for the arrest of Burdick, issued by the New Hampshire authorities, and demanded \$150 of Dr. Burdick to settle the case.

"The fellow," said Dr. Burdick, "came to my office with his proposition. Naturally I told him to guess again. I had a patient in the chair at the time, or I might have been more violent about it."

Burdick is a strapping fellow, with the physique of an athlete and there is little doubt but that he could have made it disagreeable for Gray.

Dr. Burdick then told about the forgers came into his possession. They were the invention of Dr. Goodall, of Rockingham, New Hampshire, who wanted Burdick to try them out. This the doctor said he had not done, but he had written to Goodall asking what disposition should be made of them. They were worth about \$1.37.

Dr. Burdick is inclined to be sorry because he did not ask the local authorities to hold Gray. He thinks that he could have naturally suppose, would do almost anything to avoid a scandal.

Burdick is a member of half a dozen leading fraternal societies, is well related and enjoys a high standing in the communities in which he has lived.
